## Depot News

Woo hoo Maribeth is back in action! So good to have you back! Thank you to everyone who supported while Maribeth was away. Big thank-you to Jeremy, who helped Warren when he had some troublesome splitting to be done. Awesome teamwork, it is what we love to see in our workplace.

Great to see another big lot of Mitre 10 wood loaded onto the Mainfreight headed for Whangarei. Our new sales shelf is looking amazing!

We finished off the week with Lamington Friday! Delicious!

I travelled to Dunedin with Marie to celebrate a surprise 40th wedding anniversary for my Mum and Dad. It was a huge surprise for Dad as he didn't know all of our family were going to be there. They had a big chocolate cake.

I got to see all my nephews and nieces and was surprised to see Izy can now walk.

I looked beautiful in my new outfit, just like a princess.

On Wednesday Mum sent me a photo of the whole family and I am super excited to show all of my friends and Greenways whanau.
