## My good week!

This week we hear from Chris about his good week!

In my week I enjoy making myself breakfast and helping around the house. Every morning I empty the dishwasher and open the curtains. I enjoy spending time with my flat mates, playing with my Uno cards and listening to music on my ipad. I really love music, Muse is one of my favorites, I love to sing and dance to this.

At the Depot, I love to use my kindling cracker to make kindling to sell in our Firestarter bags and I enjoy helping keep everything tidy by sweeping up the dust.

On Tuesday I go to Basketball and shoot hoops, I am a fantastic shot!

Party Zone! Thank you Ollie for cooking the BBQ!
