My good week!

This week we hear from Nathanael about what made her week a good one!

The best thing about my week was Basketball. I like shooting hoops, running and playing the games. I like the coach Kim too! I had great night on Saturday, I won a trophy! On Monday I went to get the listener, it is my favorite magazine. I also went the library with Marie and got some books out, I love going every week.

This weekend I am going to listen to some music on my Ipad and watch a movie!
