## Ngā Wha trip

Last Friday we ventured North for whānau day out! We were treated to a very special korero at Tane Mahuta, fantastic fish and chips at Oponoui then a delicious soak in the Ngā wha springs. Thank you to everyone who made the day happen, it was a fabulous day!

## Special Olympics Update

Wow! What a time the SO Athletes have been having! On Saturday, our Special Olympics team gave their all and secured a fantastic second place in their very first basketball tournament. They have only been training since Term 2, we have since had so much improvement in both skills and teamwork!

On Sunday Jason, Jeremy and David continued their sporty weekend with TI Ten pin bowling. Congratulations to Jeremy and David for landing 2nd and 3rd place.

## My good week!

Today is my very last day work as Administration Coordinator at Greenways Trust. I have been working at Greenways since 2020, I have worked in the houses, day programme and in the office and wow what an awesome place to work! Probably the coolest people I have ever worked with. Definitely the most fun! To all the people that call Greenways home, thank you sharing your life with me. I am one lucky lady! I am going to keep working a couple of evenings a week at H4, so I will see you around!
