- 13/10 - Kaipara Cycling Trivia night at OPO
- Special Olympics social trip to Rainbows End - postponed

Mihi Whakatau for Matua Pere

This week we welcomed Pere Tahere to our whanau. We had a Mihi Whakatau for him on Monday. Pere will be leading our Tikanga Māori and will be holding sessions for both Kaimahi and Tangata each week. We are having lots of fun already.

House 1 clean up

Well done everyone - the pines have all been cut up and the team have been cleaning up. They had a fire to burn up the branches and the logs are coming to the yard to be milled for furniture. We hope to turn this area into a large kumara bed. Meanwhile the vege garden is getting ready to be planted in potatoes.

Te reo Māori, Word of the week
Tena Koe- Hello to one person

Wins of the week!

- Happy birthday to Mo and Tobi!!
- Greenways Trust management team attended the NorthAble Transitions Expo last week.
- Day Programme and depot teams are looking forward to spending more time with Lloyd next week during the school holidays.
- Day Programme went to Whangarei today to watch the planes. This was Jeremy's request and everyone had a wonderful day.
- Helen's key rings are displayed in reception. They make beautiful gifts!

Kapa haka, Te Reo Māori and Tikanga classes with Matua Pere
Matua Pere Monday (at Depot) and Thursday (at OPO)

11:00- 12:30- Kaimahi (Staff)

14:00- 15:30- Tāngata (People)

Our good week!

The depot team Maribeth, Paul, Clem and Christo have had a great week.

They enjoyed the sunny weather and are happy to have done lots of work with everyone's help. Highlights include building eight raised garden beds, the seedlings flowering at HI and transforming Sunflower Cottage's gardens and planter boxes. Maribeth is pleased to be back after time away (and we are thrilled to have her back), Clem is looking forward to supporting Craig at his Mum's memorial dinner tonight and Christo going to Rainbow's End with Special Olympic athletes tomorrow.
