Te Whare Putiputi Ra Blessing

A MASSIVE thanks to everyone who was involved in getting our new whare ready for the blessing this week. It was great to see parents, trustees and volunteers supporting the day. A big shout out to Pere for the Tikanga and Lee and Sharon for the Kai. The sun shone and it was so nice to hang out with everyone.

My good week by Nathanael

I enjoyed holding the lambs on Sunday at my family's place in Whangarei. I've been working on the splitter machine at work. I really like going to Day Programme on Thursdays, we often go to the library and I get out lots of books. I am doing well in literacy classes and am very enthusiastic in te Reo classes with kaumatua Pere. Happy Labour everyone!
