### Gardens update

House 4 now has a 9 x 16 metre kumara patch dug and ready to plant. Thanks to everyone that has helped get this ready. Grant and Debbie Suckling are donating the plants. A big thanks to them for their generosity. House 1 gardens and fruit trees are blooming. We will soon have produce to distribute around the houses.

### My good week by Ricky

I enjoyed last weekend in Whangarei. Today I bought a sewing machine. I feel very proud because I am going to start up my own sewing business and going to sew lots of things for sale or for gifts. I made my sister an apron and made my own pillowcases. I also bought a PS4 to play games on. I am quite excited about Rainbows End and Athletics next week.
