## Fun Run/Bike and Special Olympics BBQ fundraiser

A fabulous day at Ruawai with some of us riding and walking the Ruawai Stop Bank. The Special Olympics team provided the BBQ. Many thanks to Vicky and Rex for their support. Ray provided the entertainment and he really excelled himself rockin' rollin'.

## Ripia Marae Visit

On Monday we joined Dargaville Primary School at Ripia Marae. We had Powhiri onto the Marae and everyone was able to introduce themselves - whakawhanaungatanga.

We had a wonderful hangi for lunch and practiced games with Rakau. Everyone loved their time there and we are very thankful to the Marae for hosting us all.

## My good week by Dominic

Outward Bound was challenging but good, I met lots of new friends. I was captain and navigator of the sailboat and stayed 2 nights in a boat house in Torea Bay. I did high ropes, fitness training, kayaking and spent 3 hours solo in the forest, walking and writing in my journal. I am looking forward to passing the baton on to someone else.
