I went on a plane to Wellington with Marie. We had a great day riding up and down in the cable car & visited Te Papa Museum where I nearly got blown away by the wind on the waterfront! Then we had a delicious, HUGE dinner at the pub. On Wednesday we boarded the train to Auckland. I enjoyed the scenery and made friends. We went outside to the viewing carriage to look down at the deep valleys. We had a fun journey home from Auckland and my favourite dogs met me with lots of licks.
