Nathnael and Eru loving Easter!

Hope you all had a great Easter! We have been busy with Easter travels, working hard with firewood orders as well as crafts, learning and activities.

Rebecca joined us recently to work at Houses 1 & 2. She feels blessed to be working at Greenways Trust and delighted to have quality time to spend with everyone. Rebecca has a strong background in disability, aged care and home support. She loves cooking, fishing and camping and her goal is to have a respite unit at home near Ruawai river. Welcome Rebecca!

Andy's dog Maris has also moved from Omapere to House 3. She is settling in well though the cat Lucky is not so sure yet!

Andrew's art is fantastic!
