6th September 2024

Mark your calendars for an action-packed day in Whangārei on Sunday, September 15th, where a group of our people will be participating in the Sport Northland Run/Walk event. Kicking off at 8 a.m., this popular event offers both a run and a walk option, making it accessible for people of all fitness levels. If you're in or around the town, why not come along to cheer us on or, better yet, join the fun? Registration is still open, and you can enter online at <https://www.sportnorthland.co.nz/> But the fun doesn't end there. After crossing the finish line, a few participants are heading to Semenoff Stadium to catch two highly anticipated rugby matchups. First up at 12:05 p.m. is the Classic Taniwha vs. Classic All Blacks game, which promises to be a nostalgic treat for rugby fans. Then, at 4:35 p.m., the Northland Taniwha will face off against their arch-rivals, Auckland, in what's sure to be an intense battle on the field. It's shaping up to be a day of fitness, fun, and fierce rugby rivalry. Whether you're hitting the pavement for the walk or cheering from the stadium, we'd love to see you there!

A huge thank you to Callum and Roxanne who took Craig, Jeremy, Dillon, Andrew, Dom and Ricky over to watch the Northland Taniwha vs Southland rugby game on Saturday night. Although they lost the guys enjoyed their night.

House one has undergone some minor plastic surgery, the kitchen bench has had some botox and increased in size.

The garden has had fillers and is chocca with new garden boxes.

The front veranda has had facial implants and is looking better than ever. Now our people can sit out the front and enjoy the view rain, hail or shine.

Chris working hard and having a good time doing it.

Splitting wood has never been done with so much style and grace.

Nathanael went on a road trip with his mum, they visited friends and family in Auckland, they went to Mt Maunganui, Rotorua and in Wairarapa where he saw some calves. Sounds like he had a lovely holiday. We are all happy to have you back Nathanael

What's on:

August is Money Month

September is StepTember and Rak'd.

More info to come
