Our yard is quickly filling up with wood for the next season. We're eagerly awaiting drier weather so the wood can properly dry, allowing us to get back to doing what we do best. In the meantime, our Depot dog, Woody, is making the most of it—enjoying all the new spots to explore and hide!

RUAWAI RUN/WALK

some of the tea went to the Ruawai River Bank fun run. Although it was a wet and windy day, they seemed to enjoy their morning. well done to our people who completed the run, and a huge thank you to Ollie for catching the flyaway gazebo, reminder to us to make sure we pack tent pegs so it doesn't happen again.
