KATY GOT PAMPERED AND HAD HER HAIR DONE

A CHRISTMAS MIRACLE

On Thursday, Katy treated herself to a visit to the hairdresser, savoring every moment of the pampering experience. She relaxed in the chair, confident her stylist would bring her vision to life. When her appointment was over, Katy stepped out with a radiant smile, feeling refreshed and looking absolutely stunning—like a million bucks!

Then on Friday Katy's dragon went on a big adventure, it went to Snazzy Gifts, the bank and for a big walk in the gardens.

On Sunday, our tenpin bowling crew was back in action, ready for some friendly competition. This time, the challenge was to see who could outscore their coach, Nelson. In the end, Jeremy emerged victorious, earning himself $10.00 and, more importantly, ultimate bragging rights!

We had a fire drill at the depot on Wednesday, and everyone evacuated in record time! To top it off, we even made sure to rescue the world's bestest dog, Woody.
