Peter has been chipping away at this puzzle for the past few days, and he's finally placed the last piece! What patience and determination - such a great effort, Peter. You've really pieced it all together perfectly. ✨

Dom, Jeremy, Ollie and Craig went to watch the match last night at Semenoff Stadium, where the mighty Northland Taniwha took on the Wellington Lions. Proving that our Taniwha loves the water, they left Wellington in their wake, tackling hard and rolling their way to a well earned victory. It was a ruck solid performance and a roar-some win, the kind of game that keeps the crowd buzzing long after the final whistle.

Tonight at Awakino they all gathered to watch the Smurfs movie on TV, and the room was full of laughter from start to finish. After the movie they shared a cuppa together, and the giggles just kept on going. These are the moments to truly treasure, when everyone is relaxed, smiling, and enjoying each other's company. Usually someone might be a little out of sorts, but tonight the laughter and camaraderie flowed beautifully.
