21 November 25

Since Sunday turned on an absolute stunner, a mix of the lads from Churchill and Waihue made a beeline for the beach. They wandered along the sand, dipped their toes in the cool water, and soaked up all that salty summer goodness. Once they'd had their fill of fresh sea air, they cruised into town for a sunshine-soaked picnic at the park — the perfect way to wrap up a golden day.

Nothing beats a night hanging out with the crew, kicking back with Jumanji on the screen and munching on popcorn. The nachos made a perfect finish to fill our bellies and cap off the night. Good vibes, plenty of laughs, and pure chill time.

Next month, seven of our Greenways crew are off to Christchurch for the Special Olympics National Athletics Games!

There's been a huge amount of training, dedication, and behind the scenes effort poured into making this trip happen, not just from our incredible athletes, but from the volunteers who've planned, prepped, and pushed right alongside them.

We're so proud of everyone involved and can't wait to cheer them on!

Quilt-tastic news! Sue dropped Ricky's latest masterpiece, you can see the hours stitched into every square. Well done, it's absolutely gorgeous!

Ricky, once again you've really out done yourself, your talent is on full display. A huge thank you to Sue for all your help!!

WHATS ON:

- 28TH NOV - NIGHT MARKET AT GREENWAYS DEPOT 4 - 7PM
