Helen and Berny hit the big city in style, shopping up a storm, tasting all the delicious eats, and soaking in the sights of Auckland. Their base for the adventure was the beautiful Movenpick Hotel, right in the heart of the city and close to everything they could want. From shopping bags to happy bellies, they truly lived their best city life before heading back home to Dargaville!

Pere brought along his guitar and turned the day programme into a jam session! The room was buzzing with energy as everyone joined in, singing waiata and belting out their favourite tunes. Smiles, laughter, and music filled the air a true sing your heart out moment!

Last Friday was one for the books! Everyone loaded up the vans and cars, buzzing with excitement, and hit the road to Omapere to explore Manea, Footprints of Kupe. The experience was absolutely incredible full of stories, history, and moments that left everyone wide eyed and inspired. But the adventure didn't stop there! Next stop: Kaikohe, where mouth watering pizzas were waiting. Safe to say, not a crumb was left behind, bellies were full, and laughs were plenty. To top it all off, the crew headed to Ngawha Springs. Soaking, chatting, and simply enjoying each other's company was the perfect ending to an epic day out.
