3rd October 2025

The mighty Northland Taniwha went head-to-head with Canterbury in what turned out to be an absolute nail-biter! From the first whistle to the final minutes, our boys held their ground and showed true grit, keeping the crowd on the edge of their seats.

Andy, Craig, Dom, Jeremy, Ollie and Ricky hitched a ride with Roxanne to catch all the action live, and they weren't disappointed. Every try, every tackle, every moment had the stadium buzzing with energy. It all came down to the wire, and when the final whistle blew, the scoreboard read 19-19.

What a match, what a night, and what a way for the Taniwha to show they're not backing down from anyone!

David has been putting in the hours on the lanes, and all that practice is paying off! Recently, he travelled down to Auckland for a Tenpin Bowling tournament, and the results spoke for themselves. With a huge smile and some serious skill, David and his team bowled their way to victory, walking away as champions.

Jo and Mo rounded up some of the crew and headed to the beach for a walk a few days ago. Everyone had a blast soaking up the sun, chatting along the way, and enjoying the salty sea air, nothing beats a good stroll by the water with friends!
