8th August 2025

On Tuesday we held a mihi whakatau to warmly welcome Chloe, Jules, Samantha, and Jessie to our team and work whānau. It was a beautiful way to acknowledge their arrival and officially bring them into the fold.

Afterwards, we enjoyed a relaxed morning tea together - sharing a cuppa, some kai, and great kōrero. It was the perfect chance for everyone to connect and get to know our new team members a little better.

We're absolutely thrilled to have these amazing wāhine join us, and we're excited to support them as they grow and thrive in their new roles. Nau mai, haere mai - we're lucky to have you on board!

It is with heavy hearts that we acknowledge the passing of our former colleague, David, who bravely lost his battle with cancer.

David worked with Greenways for four years and was a valued and respected member of the team. He brought a quiet strength to every day on the job, and those who worked alongside him will remember him fondly.

We would like to extend our deepest condolences to David's whānau during this difficult time. His presence will be truly missed, but his impact will not be forgotten.

We are sorry for the inconvenience however we are currently out of bulk wood, watch our facebook page for updates

Ko te pae tawhiti, whāia kia tata
Ko te pae tata, whakamaua kia tino.
Seek out distant horizons, and cherish those you attain.

1st August - Depot BBQ
3rd August - Tenpin Bowling
25th August - Ollie's Birthday
29th August - Eru's Birthday
