

Newsletter

19th December 25

Last week, our Greenways athletes travelled to Christchurch to compete in the Special Olympics National Games, and we could not be prouder of their achievements.

Every one of our athletes who competed returned home with a placing—an outstanding result that reflects their dedication, hard work, and commitment to their training. They truly performed as athletes in every sense of the word.

In addition to their competition success, our team had the opportunity to meet and engage with world-class athletes and sporting stars, making the experience even more inspiring and memorable.

This year, we were fortunate to have Roxanne attend to support and cheer on our athletes. Going forward, it is our commitment to ensure a member of the Greenways whanau accompanies our team to the Nationals, as a way of showing our ongoing support and just how proud we are of them.

In next year's newsletter, we will include a full list of results and achievements for each of our athletes to celebrate their success in detail.

We are well and truly in the festive spirit at the depot. Helen, along with several others, has done a wonderful job decorating the tea room window, and it looks absolutely fantastic. We truly appreciate the effort and creativity that has gone into it and love what they have created.

As we come to the end of another year, we would like to take a moment to sincerely thank everyone who has supported us throughout the year. To our families, whanau, staff, volunteers, supporters, and wider community, your encouragement, time, and ongoing support mean more to us than words can express.

Thank you for being there for us, for standing alongside our people, and for helping make this year such a positive and meaningful one. Everything we achieve is made possible because of the care, dedication, and kindness shown by those around us. We wish you all a very Merry Christmas and a safe, happy New Year. We look forward to continuing this journey together in the year ahead.

**Nga mihi o te
Kirihimete
me te tau hou**

Merry Christmas and
a happy new year
