

This week, We would like to give a huge warm welcome to Tyson to our Greenways Whānau! Tyson has settled into Waihue so well already. Over the weekend he got stuck in helping with chores, then headed out on his very first beach walk with the crew. After working up an appetite, everyone enjoyed going out for lunch together to recharge.

It has been so lovely getting to know Tyson, and we are all so happy to have him with us.

Your smiley face brings so much joy to everyone around you, Tyson, we can't wait to make many more happy memories together!

NAU MAI, HAERE MAI KI TŌ MĀTOU KĀINGA

Welcome to our home

We have all really enjoyed getting to know Rose and spending time with her already. She has settled in beautifully, and her kind, happy nature makes her so easy to talk to and be around. It has been lovely seeing Rose getting involved around the home, sharing meals with her new housemates, and enjoying new experiences together.

We are so happy to have you as part of the Greenways family, Rose, and we look forward to making many wonderful memories with you!

David, Ollie, Andy, Roxanne, Dom and the crew headed to Paihia to take part in the Run the Bays event, organised by Sport Northland.

The team travelled up on Saturday, enjoying a relaxed evening and dinner together before race day. Sunday brought an early start, but that didn't slow our athletes down! Everyone gave it their all, successfully completing the run/walk while taking in the beautiful scenery and encouraging each other along the way.

It was an awesome weekend filled with fitness, teamwork, determination, and plenty of smiles. We are so proud of everyone for putting there best foot forward, getting involved and representing Greenways so well!

WHATS ON

15th May - Pink Shirt Day

26th May - Ray Elvis's Birthday
