NEWS LETTER

29TH MAY 2026

WE WILL BUILD YOUR CUSTOM FURNITURE, WOODEN SIGNS AND RAISED GARDEN BEDS. OUR AIM WITH THIS IS TO TEACH PEOPLE NEW SKILLS, GIVE THEM AN ALTERNATIVE WORKING OPPORTUNITY TO OUR FIREWOOD DEPOT, AND TO MEET A NEED IN THE MARKET FOR QUALITY GOODS.

On Tuesday at around 5pm, Dominic's bike was stolen from outside the Library, we are asking our community to please keep an eye out in the hope it finds its way home.

For most people, a stolen bike is frustrating, but for Dominic, it's so much more than that. His bike is his only mode of transport. He doesn't drive, and he works a full week, relying on that bike every single day to get to and from work, appointments, and around the community.

Many people will know Dominic through the Western Sharks Rugby Club, where he has spent the past few years volunteering his time as the ultimate team player and water boy. Whether it's helping the Sharks, supporting Kaihu's B team, or standing on the sidelines rain or shine, Dominic is always there giving his time, energy, and support to others without asking for anything in return.

To have something so important taken from him has been absolutely heartbreaking.

We know times are tough, but we are asking whoever has taken the bike to please do the right thing and return it.

If anyone has seen the bike or knows anything, please get in touch.

Tyson has taken to Greenways like a log to the splitter. Tyson's mastered the log splitter in no time. It's safe to say Tyson is fitting in tree-mendously well with the team.

Happy Birthday to our very own Ray Elvis! We're all "All Shook Up" celebrating another year of the legend himself — hope your day is filled with good times, good kai, and plenty of rock 'n' roll.

Nathanael has been busy baking up a storm, whipping up some muffin masterpieces that everyone has been enjoying. They were fresh out of the oven and disappeared just as quickly, proof his baking skills are on the rise!
