## welcome

Welcome Liz Jones

We are very excited to welcome Liz Jones to our team as our new Residential Manager. Liz officially started with us on Tuesday and is currently learning the ropes, meeting all of our people, and finding her feet within the role. We are very happy to have Liz with us and are looking forward to getting to know more about her, her experience, and the way she works alongside both staff and the people we support.

Please join us in making Liz feel welcome as she settles into her new position. We are excited to have her as part of our team.

We would also like to warmly welcome Maria Boon and Matt Colsville to our whānau. We are happy to have you both on board and look forward to working alongside you.

**Nau mai,  
haere mai.**  
*welcome to our place.*

On Thursday the 29th of May, we gathered out at Glinks Gully to celebrate and remember the life of Warren "Woz" Somers.

We would like to sincerely thank everyone who came along to pay their respects, share stories, laughter, and memories of a man who meant so much to so many people. Seeing the love and support from our community was incredibly special and a true reflection of the impact Woz had on those around him.

Woz was a valued part of our Greenways whānau for many years, and his presence will be deeply missed. We will miss his warm hugs, his gentle and caring nature, his quick wit, and the familiar sight of him sitting by his log splitter doing his work. Woz brought kindness, humour, and heart wherever he went, and the memories we shared with him will stay with us always.

Rest easy, Woz, you will forever be a part of the Greenways whānau.

There has been plenty of hard work happening down on the depot floor lately, with Paul and his young apprentices taking on the mission of building Maribeth a brand new office.

Armed with tools, teamwork, and probably a fair bit of banter, the crew has done an outstanding job and absolutely nailed it! The new office is looking fantastic, and it has been great seeing everyone pitch in and work together to make it happen.

A huge shoutout to Paul and the apprentices for all the effort, skills, and hard work put into the project you should all be very proud of what you have created!

## ..What's on..

8th June - Mihi Whakatau

13<sup>th</sup> June - Basketball Practice
