12th June 2026

Last week, while the winter sun made a rare and welcome appearance, Chris decided it was far too beautiful a day to stay indoors. With his loyal companion Molly by his side, the two set off on a cheerful walk around the block, enjoying the fresh air and sunshine like something straight out of a storybook.

But every fairytale hero has responsibilities to return to, and once their adventure was over, it was time for Chris to tackle his chores. Armed with a mop and plenty of determination, he worked away until the floors sparkled so brightly he could almost see his own reflection shining back at him, just like a true Cinderella moment!

We run a busy house at Waihue, filled with laughter, chatter, and plenty of chaos. Dinner time is always a little bedlam, but it's also one of our favourite times of the day, everyone coming together, sharing stories, and enjoying each other's company. The best part is often dessert, especially when jelly and ice cream are on the menu, bringing smiles all around and making memories together.

A very happy birthday to Rose, We hope you had a wonderful day filled with smiles, laughter, and all the things you enjoy. We are so happy to have you as part of our Greenways whānau and look forward to celebrating many more birthdays and special moments with you in the years to come.

Excitement was in the air this week as Tyson and Roxanne headed off on a special mission, to collect a brand new addition to the Greenways fleet! With another home now open and our rooms quickly filling up, we needed a bigger set of wheels to help keep everyone on the move and enjoying all the activities and adventures we have planned.

The big reveal was full of anticipation, and we can't wait to share it with everyone. What did we get? You'll have to wait till next week to find out!

Our Brave dudes at the dentist, annual checker uppers are done and dusted. Pearly whites are good for another year.

What's on
