On Thursday, we farewelled our much loved receptionist, Rowan. After five wonderful years with us, she is heading off to an exciting new role at Godfrey's. Rowan has been the welcoming face of our depot and a friendly voice on the end of the phone. Her warmth, humour, and genuine care for everyone she met made a lasting impression on us all. She has been a friend to many, a constant source of laughter, and someone who always stepped up when needed.

We will not only miss Rowan, but also our depot dog, Woody, who is heading off on this new adventure with her.

Thank you, Rowan, for your dedication, hard work, and the countless good times over the past five years. You will truly be missed, and we wish you and Woody all the very best in this next chapter.

There were great times at the Day Programme recently, with plenty of laughter and energy to go around. The team had an absolute blast swinging their hips and moving to the music with the hula hoops. It was wonderful to see everyone getting involved, staying active, and enjoying the rhythm together.

On Sunday, we had the pleasure of celebrating not one, not two, but three birthdays, Andy, Craig, and Katy. A very special happy birthday to our "triplets" (not by blood, but by birth date!). It was a wonderful opportunity to come together and celebrate each of you. We hope you all had a fantastic day filled with laughter, cake, and everything that makes birthdays special.

WHATS ON....

22nd Feb - Andy, Craig and Katy's Birthday.

28th Feb - Dom's Birthday

7th March - Blues v Crusaders Game
