After enjoying a lovely few days away with the Family Newell in Auckland, it's time to head home. With plenty of memories made, Newell is all packed up and ready to jump on the bus for the trip back.

We hope you had a wonderful time away, Newell, and can't wait to hear all about your Auckland adventures!

Whether you're after a great cup of coffee, some delicious kai, or simply looking for a friendly place to catch up, we'd love to see you. Pop in, grab a bite to eat, and enjoy a chat with the wonderful team – Andy, Julz, and Lloyd are always happy to welcome a friendly face.

Come along, support local, and make TK Eatz part of your weekend plans!

Dinner time at Churchill Home is always a crowd favourite. No matter what kind of day our whanau have had, coming together around the dinner table is the perfect way to end it.

It's a time to relax, share a meal, talk about the day's adventures, and enjoy plenty of laughs along the way. These moments of whakawhanaungatanga and connection remind us that it's often the simple things, good food and good company that make a house feel like home

The Day Programme never ceases to amaze us with what they get up to. From quilt making and baking to the incredible artwork they create, their talent and creativity are truly mind-blowing.

Every day brings something new, and it is wonderful to see our whanau learning new skills, expressing themselves, and taking pride in what they achieve. The dedication, imagination, and hard work that come out of the Day Programme continue to inspire us all.
