Nathanael had a wonderful few days away visiting his family. While he was there, his sister Hana enjoyed playing several games of ten-pin bowling with him. Nathanael showed Hana exactly why he is a member of the Special Olympics Tenpin Bowling Team, scoring strike after strike and impressing everyone with his skills.

We are so pleased to hear that you had such a great time, Nathanael, and we're even more delighted to have you back with us!

everywhere Tyson goes he is making friends, his newest friend is Meg, Jo Becketts beautiful pooch, from the moment Meg met Tyson, she decided that he was someone pretty awesome. The two quickly became the best of friends, here's to another long lasting friendship.

We are delighted to share some fantastic news with our Greenways whanau, families, and volunteers. We recently completed our external audit, and we are proud to report that the outcome was excellent. The auditors were highly impressed with all aspects of our service and the support we provide to our Tangata. This positive result reflects the high standards of care, respect, and support that our team strives to deliver every day.

Behind the scenes, our dedicated staff work tirelessly to ensure that each person we support receives the best possible care and opportunities to thrive. Their professionalism, compassion, and genuine commitment to making a difference were clearly recognised throughout the audit process.

At Greenways, we believe our people are our greatest strength. Every team member plays an important role in creating a safe, caring, and supportive environment, and it is this collective effort that helps our service stand out within New Zealand's residential care sector.

We are incredibly proud of this achievement and grateful to our staff for their ongoing hard work and dedication. We would also like to thank our families, whanau, and volunteers for the encouragement and support you provide. Together, we are making a positive difference in the lives of the people we support every day.

This excellent audit result is something we can all celebrate, and we look forward to continuing to provide the highest standard of care for our Tangata.

Several of our athletes have been spending their Saturday afternoons training for Special Olympics Basketball, and they have been having a fantastic time.

We would like to give a huge thank you to everyone who has volunteered their time to coach, lent a hand, or simply sat on the sidelines and cheered our players on. Your support, encouragement, and commitment make a real difference and help create a positive and enjoyable environment for everyone involved.

Our athletes have been showing great enthusiasm, determination, and growing confidence on the court each week. With skills improving every session, we'd say the basketball world should start paying attention!

Look out, LeBron James, we have some talented up and coming ballers who might just be coming for your spot in the NBA.
