Last Sunday, those who wanted to, went over to Whangarei to watch the mighty Northland Taniwha take on Manawatu in a game of Rugby, everyone who went enjoyed themselves and were stoked that the home team won.

SOLD OUT

OF FIREWOOD!

A huge thank you to everyone who supported Greenways by purchasing firewood this year. Thanks to your support, all of our firewood has now sold out! But that doesn't mean we're slowing down. While the weather has given us a break from the rain, our team has been hard at work splitting, stacking, and preparing wood to build up our supplies for next season. We look forward to supplying you again next year and appreciate your continued support of Greenways. Thank you for helping make this year's firewood season such a success!

Hats off to David, who stole the show at TenPin Bowling with an impressive five strikes in a row. An outstanding achievement and a great day on the lanes!

Four of our Greenways whānau have been proudly working for Kaipara Refuse for a number of years. Their ongoing commitment to employment has helped them build independence, confidence, and valuable life skills. By supporting opportunities like these, we live our core value of empowerment, encouraging people to grow, contribute, and thrive within their community. We couldn't be prouder of all they have achieved.
