HE AROHA
MAUROA
forever love

Every Saturday, our Greenways basketball team trains at Dargaville Intermediate in preparation for the Special Olympics Basketball Tournament this September. The players have been working hard, building their skills, confidence, and teamwork along the way. With the tournament just around the corner, they're feeling excited and ready to give it their best shot. Good luck team, we're all cheering you on!

Andy has been learning about his heritage, Dot at the day programme has been helping him, on Wednesday night he was excited to show everyone, even Maris who was looking fancy was listening in.

Day programme shananigans, dressing up and karaoke, we love seeing the smiles on their faces from doing the things they love

Missymoo is a huge part of our Waihue home, she has captured the hearts of everyone, one of her favourite things to do is snuggle up on the couch with whoever is there and give them loves.

Recently, Peter spent some time in hospital for a procedure, and we couldn't be prouder of the way he handled it. Facing something unfamiliar can be a little scary, but Peter showed incredible courage every step of the way.

True to form, as soon as he came through the procedure, Peter was already keen to head home. Even more impressive, by the very next day he was almost back to his usual self, showing the resilience and determination we all know and admire.

Peter, you are an absolute trooper!

Dinner time is always a lot easier when you have plenty of hands to help. Salad and lasagna was a hit at Churchill, with everyone chipping in to do their part, we heard it was delicious!

Meanwhile at Waihue Katy was a super peeler, peeling the potatoes, half of the peelings did go on the ground, however the smile on her face from her achievement made the mess worthwhile

Ray has been keeping himself super busy creating all sorts of amazing masterpieces, from Batman to Freddie Mercury and everything in between. His creativity knows no bounds, and each piece is made with plenty of skill and attention to detail. Ray often sells his creations, so if you'd like to own one of his unique works of art, let us know.

A big happy birthday to our man Ollie! Over the past two years, we've watched him grow from a boy into an incredible young man. We're all so proud of how far you've come, Ollie. Here's to another trip around the sun and an amazing year ahead!
